

# Zon GUITARS ANNOUNCES...

## AN AFFORDABLE LINE OF HANDMADE, STATE OF THE ART, 4 & 8 STRING BASSES

### Designed With The Professional In Mind

- Two octave fast design graphite neck for an unbelievable feel and playability
- The use of graphite means great harmonics and the ultimate in definition, sustain, and attack - without dead spots!
- Feels like wood. Does not get cold like aluminum and never needs adjustment
- Bodies feature unique design made of curly and birdseye maple, imbuaya, ebony, koa, or rosewood
- All bodies finished to a glasslike lustre
- Specially designed Bartolini pickups with Polyfusion active circuitry gives these basses their great sound and versatility
