

# JOHN WETTON

the man and his *Legacy*

**JOHN WETTON**, bassist extraordinaire, who's musical legacy includes such groups as U.K., King Crimson and Asia, is one of rock's foremost contemporary bass players. John's personal choice—the ZON LEGACY BASS. Featuring an ultra sleek body and fast action neck, the LEGACY bass weighs a mere seven pounds. Designed for the musician who insists on only the very best, the LEGACY affords JOHN WETTON the optimum in performance and quality.
