UNPARALLELED PERFORMANCE

# The Legacy Elite V

Zon has successfully blended tradition with technology to produce the very finest in handcrafted basses. From the smooth, even response and superior playability of our carbon-fiber neck to the deep, rich, mirror-like finish of the highly figured natural wood body, Zon Legacy basses are the essence of style and function. Unsurpassed in quality and sound, the Legacy features an advanced active electronics system for tonal textures never before imagined. Visit your dealer today and see for yourself what makes the 4, 5, & 6 string Zon Legacy basses so special. For more information, send \$3.00 for our color catalog.
